Well guys, not all email subscribers are active and if they are not - there is no need to send them new emails and to pay for them to AWEBER. **You must clean your AWEBER email List every month.**

This is how you can get rid of people who is not opening your emails and not clicking your links. Follow this small AWEBER Tutorial below.

## **Step 1. No Opens Status**

Go to AWEBER List you want to clean now and next go to

- Manage subscribers
- No opens

Also use some data delay - I mean give them at least couple of months.

## **Step 2. Date Added Status**

Next we will add another condition for your AWEBER filter DATE ADDED - I do not want to remove not openers who only subscribed month or two ago. This is why we need this condition.
