1. For instance, if you can spend on SOLO AD traffic just \$1000 - this would give you 50 clicks per day or 450 new leads taking into account 30 % conversion.
2. 10 % follow up sales funnel conversion will give you 45 customers who will become PRO members and this will result in \$2250 profit for you.
3. According to our statistic minimum 10 % out of those 45 PRO members will become a Franchise - so you will get \$6750 (\$1500×4) in commission .
4. Your first month will bring you \$ 9000 - 1000 = \$8000 net profit!
5. This is if you paid \$3000 for BUSINESSSTARTIDEAS Franchise Licence and invested \$1000 in SOLO AD traffic.
6. So your profit in your first month can be at least \$2000 you next month will give you around \$16000 in profit!
7. Reinvest \$16000 in paid traffic which will give you 700 pro members 68 of which will buy Franchisee licence and **by the end of 3 d month you can get \$120 000 in profit!!!**
