You can sell both digital and physical products or even Software license using ShopZpresso. Plus you can create your own affiliate program to drive free buyer traffic from affiliate program.

[How ShopZpresso works?](#)

Just follow simple instruction to install the script to your hosting server and:

1. Sell physical, digital & software
2. One Store to sell everything.
3. 1-Click import for 1000s of products
4. Get FREE TRAFFIC from affiliates

5. Make \$100 to \$500 per day
6. Newbie Friendly, Fully Tested, No tech skills needed, no staff needed.
7. Every Internet Marketer needs this

How you can profit from ShopZpresso?

1. Create a digital product store and sell digital products like selling on Clickbank, warrior plus or JVzoo.
2. Physical product store and sell physical products like shopify.
3. Software licence Store and sell software license like envato/codecanyon.

Good news - you can sell products using own affiliate program without paying any fees or % to the platforms like clickbank, warrior plus or JVzoo, amazon, walmart or commission junction.
