☐ Get Profit Funnel to make money fast ☐ <https://profitfunnel.biz> Super Sales Machine review: business in a box for affiliate marketers | 4

1. How would you like to join an affiliate program that pays you LIFETIME commissions... just by giving away free stuff?
2. How would you like to receive commissions through MULTIPLE networks including Zaxaa, ClickBank and JVZoo **using one special affiliate link without having to manually request approval for new products?**
3. How would you like to get paid for NEW product launches and promotions that you will NEVER have to promote to your referrals? With the Super Sales Machine Partner Program that's now possible!

How does it work?

The creators of SUPER SALES MACHINE affiliate program have put together a very smart system that allows you to **promote one link** and **get credited on 100s of products and services for life.**

You won't need to promote 100+ products individually and you don't have to send out 100s of emails to your readers because our system takes care of that.

All you have to do is give away free content using one unique affiliate link. That's it! From there we'll work hard to convert your leads into sales and present them with irresistible offers.

What happens to my leads that I refer?

Letter from creators: "If you're concern about promoting a landing page - don't be. Here's why. What we've found is that there is more profit to be made selling our own products. It gives us full control of our business and provides customers will an excellent buying experience and a sense of consistency. That last thing we want to do is promote an affiliate offer and lose the connection with our buyers."

The leads that you refer to SUPER SALES MACHINE system are yours for life. It's our job to simply continuously convert them into sales over a long period of time and share the profit with you.

How much can I earn?

SUPER SALES MACHINE has over 100 offers available ranging from \$7 to \$497 with deep sales funnels and offer anywhere from 50% to 75% of the sale. **There is potential for you**

to make well over \$1,500 per lead!

How much you will earn will depend on many factors. If you've built an online presence, distributed quality content, cultivated a following on social media, or built a responsive list then you'll very likely see profits within the first marketing message you send out. On the other hand if you're buying cold traffic from over-used solo ads providers or spamming your link without providing any real value then you've unlikely to get any results.

Take a look what people say :

When and how to I get paid?

Many of our follow-up promotions are made through ClickBank. ClickBank commissions will be paid out automatically on a weekly/bi-weekly basis by direct deposit or check. If your account is in good standing, ClickBank will allow you to choose the a weekly deposit via direct deposit.

Our product launch events are done through JVZoo. JVZoo commissions are paid out instantly via PayPal at the point of sale.
